

One Day of Service

Fellow scouters and arrowmen, your help is needed for the one day of service at Camp Lakota on November 7th, 2009 to assist with projects to improve the camp. One day of service is sponsored by Lakota Lodge. Many volunteers are needed to assist with the work to be done. The Lodge needs as many volunteers as we can get.

Are you worried that you will not be able to participate because you are not part of the Order of the Arrow? Don't worry; anyone can help with the one day of service. Troops, Packs, Crews, and Scout Reach units are all welcome. Arrowmen, please come to assist the Lodge with one day of service. Let's make this the largest turnout ever! The work we do can be used towards service hours for rank advancement.

What will we do? Last year we cleared brush from the Elk campsite at Lakota. The campsite is much bigger than it was. The work for this year is still in the planning phase, but all of the projects will benefit the camp in some way. It would be a good idea to bring work gloves and to wear work clothes. Lunch will be provided.

Without your help, this one day of service could not be possible. Be sure to save November 7th as the date for one day of service. Help make this day the best one day of service yet! Please visit the Lakota Lodge website, www.lakotalodge.org, for more information.
