

One Day of Service

Fellow arrowmen and scouters, looking ahead to November 7th, Lakota Lodge will be having a one day of service at Camp Lakota. This is not just for OA members; it is for all Troops, Packs, Crews and Scout Reach Units in Northwest Suburban Council. Lunch will be provided.

The list of jobs that we will be doing is currently being organized and will be put together before the day of service. The work done at this weekend can be used for service hours for rank advancement.

Make sure to save the date. The one day of service will take place on November 7th from 8:30 AM to 5:00 PM
